I am nominating Angelina Sackey as Student of the Month for Spanish III Honors. Angelina deserves this honor for many reasons. She is mature, passionate about Spanish and a superb student, but the thing I admire most about her is her calm, collected demeanor, her ability to work with anyone and that she always gives her best— even if no one is watching. She holds herself to high standards, but she also focuses on her learning and personal growth above just getting the grade and completing her work.

¡Felicidades Angelina!
