

## District Advisory Team

Date: November 16, 2017

Location: 411 N. Gibson St.

---

- I. Lisa Mott welcomed the Team and asked them to review the minutes of the previous DAT meeting. She advised the team that the date of the February meeting has been changed to February 20, 2018.
- II. A motion was made by Debbie Gish to accept the minutes and seconded by Ken Lynch. Motion carried
- III. District Presentations:
  - Letty Bernal, Coordinator of Federal Funds, presented the Parent and Family Engagement Policy. She noted the name change due to the Every Student Succeeds Act (ESSA) which has replaced No Student Left Behind. As a district that receives Title I funds, we are required to have a district policy. 1% of Title I funds received must go to family engagement; 90% of that 1% must go to campuses. Mrs. Bernal passed out copies of the WISD policy with changes updated for review. The Team was given time to review and changes were made to ensure the policy reflected the updated policy name throughout. Kate Authier made a motion to accept with the noted name changes; Sydney Rust seconded and the motion carried.
  - Mrs. Mott reviewed the district Equity Plan. A handout of the process and results were available. The Plan required a review of all campus to ensure equal access to quality, veteran staff.
  - Mrs. Mott briefly reviewed the rezoning process. Wilemon, which will be a STEAM (science, technology, engineering, arts, and math) elementary will be partially a zoned campus, partially applicant campus. A percentage applicant rate has not yet been determined. The District rezoning process will have a committee to review three rezoning plans. A community forum is planned for February 22, 2018. The plans will be previewed with this Team on February 20, 2018.

The meeting adjourned approximately 8:00 PM.
