

2018-19 SCHOOL BUS PERMISSION FORM

Student Name: _____ Grade in Sept. 2018: _____

Address: _____

Option A: Permission for Daily Bus Service

I grant permission for my daughter to ride Trinity Hall's bus service between school-designated pick-up/drop-off sites and campus each day during the 2018-19 school year, as well as for school field trips, athletics and activities. I understand that these services will be provided by a third-party licensed and insured transportation company at all times. Bus stops and times will be announced this summer.

By signing this agreement, I understand that the per student cost for this service will be \$1,500. This fee will be added to TADS accounts in the fall and distributed among remaining installment invoices. If my district opts to provide busing services to our family this year, I understand that my daughter will be removed from Trinity Hall's transportation program and this fee will not be added to my account. Families eligible for aid-in-lieu transportation reimbursements from their municipalities will keep any monies distributed to them by their district, and Trinity Hall will assist with all paperwork to fulfill the process.

I, in my capacity as parent of this student and for myself and my heirs, successors and assigns, hereby acknowledge, understand, and agree that Trinity Hall and its trustees and administrators ("Releasees") shall not be responsible or liable for any damages whatsoever arising from any injury to my child or her property as a result of her participation in our busing program, unless the claim, suit or cause of action arises solely and exclusively from the negligence of the Releasees.

I understand that these services will be provided by a Trinity Hall directly - or a third-party licensed and insured transportation company - at all times.
