

WALNUT HIGH SCHOOL EMERGENCY/DISASTER RELEASE

Students and staff members at Walnut High School are well prepared in case of an emergency situation on campus. Our emergency drills are conducted on a regular basis with our main objective being the safety and welfare of our students.

If it were necessary to evacuate students at Walnut High School, all students and staff members will gather on the Athletic Fields. Parents and other listed adults can pick up their students at the Student Parking Lot gate located by the gymnasium. In case you cannot pick up your student, please list other adults you authorize to check out your student in the event of a disaster. Please remember some form of picture identification will be necessary. Complete the information below, print and bring to your registration appointment.
