CSUB's California Nursing students Association invites the public to attend "A Day in the life of a nurse" is an event to show students what a nurse does while on the job. Because of confidentiality laws and HIPAA, nurses can't share their day with people or on social media like other careers do. This gives them a chance to see behind the curtain a little and the hope is that some will consider nursing as a possible career field. The event is from 7p-8:30pm at the Dore Theater with doors and activities starting at 6:30 pm. There is no cost of the event and parking will be free. RSVP to <https://csubcnsaadayinthelife.splashthat.com>
