

## **William S. Hart Union High School District**

Good evening Hart District families,

The Hart District has consistently followed the guidance of the Los Angeles County Office of Education (LACOE) with regard to responding to the coronavirus pandemic. Today LACOE recommended that the period of the closure be extended through May 4 - with on-campus classes resuming no earlier than May 5. The decision to extend the closure was made in collaboration with the other school districts in the Santa Clarita Valley.

While we are all eager to resume normal routines – we need to be prepared for the possibility that the closure could be extended through the end of this school year. Of course, we will share additional information if another extension is called for.

Thank you for your patience and flexibility as we launched *Distance Learning* this past week. Despite many understandable frustrations, students, teachers and parents worked to pull off what seemed an impossibility just 5 short days ago.

Clearly many obstacles lay before us. Let's keep communicating and collaborating on solutions together.

I wish you a safe and healthy weekend,

Mike Kuhlman

Superintendent

William S. Hart Union High School District
