The Pleasanton FFA chapter celebrated the Christmas holiday season by bringing joy to local nursing homes. Over 40 members from junior high, high school, and elementary dressed in their Christmas gear to wish a “happy holiday” to three local retirement homes: Retama Manor North, Retama Manor South and The Heights. Students caroled the halls of the homes singing Christmas songs to brighten the season for those residents. The meeting was wrapped up at

the ag shop with a toy drive for local children in need. Cookies and hot chocolate were served at the conclusion of the meeting. All of the toys collected were delivered to the Pleasanton Police Department towards their Blue Santa Project. Pleasanton FFA members would like to wish a warm and happy holiday season to all. The next FFA meeting will take place on January, 9th at 6:30PM at the Ag Shop.
