September 21-27

1st Grade Newsletter

*Please read Blend-It Books at home.
Return math homework with your folder each week*

Dear First Grade Families,

This week we're going to learn about community helpers and their jobs. We'll look at the question "Who can you meet in a neighborhood?" In the informational text **Lucia's Neighborhood** we'll meet a girl who introduces us to the people and places in her neighborhood. We'll also read the fable **City Mouse and Country Mouse**.

Tests will be given Fridays

Homework

Read Blend-It books with an adult.
Complete the math fluency sheet
and return WITH YOUR NAME ON
IT!

This weeks....

Words to Know: all, does, here, me, my, who

Phonics Skills: words with short e (*pet, leg, gem*); consonants y, w, k, v, j; phonogram -et

Comprehension Skill: text and graphic features-tell how words work with photos

Activities to Do Together:

As you drive around your neighborhood, talk about the different places you visit and the people you see.

READ READ READ!

Math

Students will continue to work with story problems to solve equations. (an equation is a math sentence with an equal sign.)

Tracy has 3 orange cats and 4 white cats. How many cats does Tracy have?

Use number sentences to draw a picture, and fill in the number bond to tell a math story.
