May 29, 2020

Dear Nampa School District Parents,

Please take a moment to celebrate the good work that has been accomplished this year. This is an amazing place where students really do come first. Thank you all for the outstanding things that we have been able to do together.

Regardless of the schedule this summer brings, know you have played an essential role in the work of Nampa Schools. Be Proud... #NSDProud.

**Staffing Changes**
We are happy to congratulate Carlene Foruria as the new principal of Gateways, replacing Cyndi Cook who will take on the challenges of Director of Special Education for the District. Carlene will be missed at SHS where she currently serves as a vice principal and supports special education as one of her responsibilities.

**Phase 3**
Governor Little has announced that Idaho will move into Phase 3 on Saturday. For the Nampa School District, this means that we will begin to implement our Phase 3 plan on Monday, June 1, which includes slowly implementing our summer athletic schedule. Please refer to our comprehensive document to review the specifics of participation. You can find this document and any updates on our webpage.

Our plan continues to encourage employees to

- Engage in physical distancing of at least six feet
- Wear face coverings in public spaces
- Stay home if they are sick
- Practice good hand hygiene
- Cover coughs and sneezes
- Disinfect surfaces and objects regularly

**Device Return**
Although many of the devices have already been returned, please work with your building staff to make arrangements to return any devices that have not yet been returned. District sponsored connectivity for certain devices will be discontinued until the fall and devices will not be able to be used. Returning devices now means that we can have devices cleaned and re-imaged so that they are ready to go in the fall. Thank you for your cooperation.

**Summer Food Service**
Although summer food service will continue through June 30, there is a change in the service points and busing distribution will be discontinued. Lunch service will continue until June 30 at Centennial, Iowa, Reagan, Roosevelt, Snake River, Willow Creek, South Middle and West Middle.
As we firm up plans for the fall we will provide details in further updates. Please enjoy this time with your families.

Dr. Paula Kellerer
Superintendent
