

The Lumberton ISD School Board has approved a revised school calendar that reflects changes made due to the weather-related school closure on September 19th and 20th. Students must attend a minimum of 75,600 minutes each school year. We currently have 75,765 on the original calendar for this year, which gives us an overage of 165 minutes. Missing two school days cost the district 870 minutes. The following changes will be implemented to make up the lost school instructional minutes, and will save the school one weather day for the winter, if needed.

- Students and staff will attend school January 20, 2020 (which is one designated weather day already and adds 435 minutes)
- The Early Release days for Nov. 22, 2019 and Dec. 20, 2019 will become full instructional days (adds 240 minutes)
- The daily bell schedule will be adjusted by 2 minutes at the end of the day for all campuses between the dates Dec. 2, 2019 and Dec. 20, 2019 (adds 30 minutes)

Thank you for your patience and understanding as the district works through this process to ensure compliance with state regulations, and to make certain students are receiving the best opportunity to be successful in their academic achievements.
