March 18, 2020

Dear Franklin Regional Family,

The Franklin Regional School District is surveying the school community to gather information from families who may be in need of technology in the event that the District moves to online education. If your family may have a need for technology or Internet access, please take a moment to complete the survey using the following link:

<https://forms.gle/yJGgcqcD7Q7XNk148>

If you already have sufficient Internet service and sufficient devices for your children to use, there is no need to complete this survey.

If you are unable to complete the survey via the link, please email your building principal or, if necessary, call and leave a message at one of the school buildings.

Please complete this survey **AS SOON AS POSSIBLE** to help us with our planning.

If any family is experiencing hardships with food or in other ways, please contact your building principal.

Since the District's buildings are closed, email is the best way to reach staff members. Some staff members are, however, checking phone messages periodically as well.

Please remember that social distancing means staying away from close contact in public spaces and staying home as much as possible. It is important for all of us to do our part to stay isolated to slow the spread of COVID-19. This protects you, your children, and our entire community.

Thank you and take care,

The Franklin Regional School District
