

The Hill Top Parents Association

HILL TOP
Preparatory School

On behalf of the Hill Top Parent Association (PA or HTPA), we would like to welcome you to our Hill Top community.

The Hill Top Parents Association consists of all of the dedicated parents who serve Hill Top through volunteerism and fundraising. As the parent/guardian of a Hill Top student, you are automatically a member of the PA. No registration or payment of dues is required. As you will see below and in future emails, there are many ways to learn more about the HTPA and how you can help. But first, we want to let you know how the PA can help you!

We know that joining a new school can be overwhelming, as we have all been where you are now. Just as your child is transitioning, so are you. Some of these changes are written and some are unwritten. The culture may be different as well. While the Hill Top Admissions team and all the administrators and teachers do a terrific job getting you and your child situated, sometimes you may want to talk to another parent; or you may feel like you have “bothered” the Hill Top staff too many times or asked too many questions. That is where we come in!

The Parent Association should be regarded as your New Family Lifeline. You can call or email one or all of us, for whatever reason, as many times as you need. If we can't help you out personally, we will certainly put you in touch with another parent who will. Whatever it is, remember we are here for you.

We invite you to review the 2019-2020 Parents Association calendar and hope you will join us for all events. There are many ways to become engaged, be involved and make a difference!

We look forward to you joining the HT community,
