

Parent Resource Areas

What are Parent Resource Areas?

- Designated places provided for parent use.

What is provided in the Parent Resource Areas?

- A variety of booklets, brochures, pamphlets, parent newsletter, and flyers designed to help parents with assisting their children in being successful in all of their academic achievements.
- Copies of the school's compact and plans printed and available to parents.
- A computer with internet access. (Available in Media Center)

Who would be available to help if parents/guardian has any questions or concerns?

- The school's Parent Engagement Facilitator or Administrator. (Danita Boyd)

When is the Parent Resource Areas available?

- The Parent Resource Areas are available to parents during school (7:30am to 2:30pm).
- Arrangements to secure other resources Areas are needed at other times. (Please see the school's Parent Engagement Facilitator or Administrator).

Where are the Parent Resource Areas located?

- The Parent Resource Areas are located in front lobby & media center.

What is required to use the Parent Resource Areas?

- Obtain a visitor's pass from the front office with a request to use the Parent Resource Area in the Media Center.

If you have any questions, concerns, or suggestions please contact the school's Parent Engagement Facilitator Danita Boyd /
