

On Saturday, November 17, St. Bernard School will be preparing for the Thanksgiving season by holding its annual **Family Volunteer Day**. We are excited to announce a new service station this year which will benefit **Lutheran Service Society**, a professional service for families who have adopted or are seeking to adopt. At Lutheran Service Society, caseworkers assist children in gaining a better understanding of their history and perspective of their future permanency goals by creating **lifebooks** filled with pictures, drawings, worksheets, and more. We are asking for donations to create these books, including stickers, colored paper, glue sticks, and 1-inch binders. Donations can be delivered to our school office leading up to Nov. 17 or can be brought to the donation table at Family Volunteer Day. Please direct questions to Genna Kicinski at [genna1@verizon.net](mailto:genna1@verizon.net). We sincerely thank you for your donations!
