

Dear SJVA Families,

As many of you may know, San Jacinto Valley Academy has long been preparing for an expansion program which would allow us to make significant upgrades to our campus. This expansion would allow for improvements to our existing site, help traffic flow, add a multipurpose room, classrooms and a variety of rooms to support instruction and our programs. We plan to have two libraries/museums!

In July, our petition was brought before the San Jacinto Planning Commission. We received an overwhelming support from SJVA families who attended the meeting. Many parents and students spoke on behalf of our school and, by the sheer numbers, represented SJVA and our interest to support more facilities for our students.

This Monday, September 17, 2018 at 6:00 p.m., at the San Jacinto Community Center at 625 South Pico Avenue, San Jacinto California, the San Jacinto Planning Commission will hold another public hearing on our project.

Once again, dear SJVA families, we are asking for your help. Will you join us at tonight's meeting and allow the planning commission to see what it looks like when a wolf pack rallies for support? In addition, if any of you would like to address to the planning commission and speak about the greatness of our school, this would be a great time to make your interest in our school's expansion known.

For any inquiries or additional information, please contact Jeanette Juarez, jj Suarez@sjacademy.org, Michael Tennant, mtennant@sjacademy.org.

San Jacinto Valley Academy has been recognized for student achievement and success on many levels, recognized for awards at the international, national, state, county, and city levels! We are proud of our SJVA students and families. We know that the local and global contributions of our students impact many others and help to build a better world for us all. We are the Wolves! Nosotros somos los lobos!

We cling to our motto, "The strength of the wolf is in the pack."
