Daycare / Babysitter Transportation Request

This form must be completed in order to arrange transportation from a daycare site or babysitter. The daycare/babysitter address must be located within district boundaries and within existing bus routes. The District has up to five (5) school days after the signed form is received to make the arrangements. A new form must be completed and approved each school year. Daycare/babysitter arrangements will not transfer from year to year.

Child's Last Name	Child's First Name	School Building	Grade Level
Daycare/Babysitter Name	Daycare/Babysitter Street Address	Daycare/Babysitter Phone Number	
Requested Start Date	Parent/Guardian Name	Parent/Guardian Phone Number	

By signing below, I understand that transportation arrangements may take up to five (5) schools days to complete. In addition, my child may not begin riding a new bus until I am notified the request has been approved by the Transportation Office and the bus arrangements were made. It is my responsibility to contact the Transportation Office when daycare/babysitter transportation is no longer necessary. Transportation will not be arranged unless a parent/guardian signature is present below.
