Dear MRHS Community/Business/ Partner:

The After Prom is where it's at! And apparently, where the kids are too. Last year, over 600 students attended our 2018 After Prom, the all night, alcohol and drug free celebration, following the Prom. Our kids wanted to be here and we are very proud of that. With our parents, volunteers, and local business support, we worked really really hard to make it happen. We again need your support!

The 2019 After Prom party will be held at MRHS

The event begins immediately following the Prom.

**Saturday, June 1st from 11pm until 4am.**

Our theme this year is "**TBD**"

We can only throw this very worthwhile After Prom with everyone's help. Your generous donations provide the prizes and food, buy the supplies we need, and cover the fabulous entertainment, which entices our students to attend. We can use: **gift certificates, food, services, merchandise & any kind of financial contribution.** Donations of \$500 or more received before April 1, 2019 will be featured on the After Prom T-shirts given out to every student who attends.
