

Update Your School Website

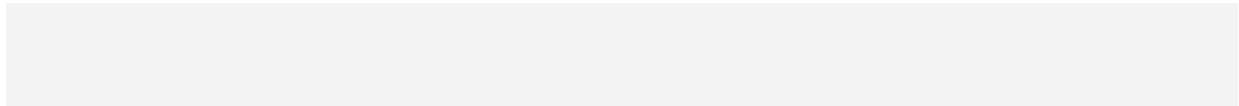

Goal: Get the word out to the community. Tell families how to get the app.

- Update the website footer with your App Poster Image and App buttons and embed download links in the images:
 - Android Button: <https://goo.gl/Q3FdEJ>
 - Apple Button: <https://goo.gl/vFT4vE>
- Add your sliding banner to the website using the launch poster.
- Link buttons to <https://www.flyerconnect.org/app>
- Add your school poster image to improve visibility.

Download our App and Be Connected!

Get instant notifications from school groups and leadership about safety, your student's education and access helpful resources.
