BENEFITS ANNOUNCEMENT

We are pleased to announce effective January 1, 2019, the District has secured TSA Consulting Group, Inc. (TSACG) as a Third Party Administrator for 403(b) retirement plans, replacing MidAmerica Administrative & Retirement Solutions. If you already have a 403(b) plan, it is not necessary to make any changes at this time.

TSACG is an independent provider of compliance administration services. We are very pleased to have TSA Consulting Group as a partner, and as an employer, we are committed to providing employees with exceptional service and competitive options for supplemental retirement plans. You will find a TSACG Plan Summary and a Salary Reduction Agreement (SRA) on the District website, the Employee Web Portal, and attached to this email, if you want to set up a new account or change your present account contribution.

For more information regarding retirement plans please visit the following websites.
