April 15, 2019

Dear Grade 8 Parents,

Once again, we are offering *Tuesday Tours at Ten* throughout May (May 7-14-21-28). May 14 is a day of PARCC testing so some adjustments may occur.

Registration is required beforehand in order to plan for guides. **Please** call (973) 564-7130 ext 10002 during school hours to provide your name and contact information. Or e-mail: teresa.blumstein@millburn.org

The tours are aimed at 8th grade parents but are open to any resident. The guides are Millburn seniors who will address questions and concerns common with parents new to the high school.

Tours start at the Main Office at 10:00 and finish around 11:00. The student guides will show you the library the MILL (Millburn Instructional Learning Lab), cafeteria and classrooms. A few classes may even be visited and you can see our hallways during passing time and our school during Open Lunch – the least structured times of our day!

Visitors may ask questions of these seniors. *It is not appropriate to discuss individual teachers or students.* Nor is it proper to initiate conversations with classes and disrupt lessons. I will remind our teachers to ignore visitors and not interrupt their lessons; however, they certainly are free to engage you in light conversation (though they may not give you a pop quiz!). Tours will end back at the office.

This is the 10th year that we are providing tours. I hope you find the tours relaxed, enjoyable and informative. We will continue to host tours as long as there is interest. I hope to meet you soon.

Respectfully,

William Miron
William S. Miron, Ed. D.
