

DISTANCE LEARNING

EXPECTATIONS FOR SAM HOUSTON STUDENTS

March 23-April 3, 2020

**CONTACT SAM HOUSTON @ (956) 971-1167
HOURS: 7:30-4:00 PM**

We will make every effort to make this as easy a transition as possible. Distance learning is necessary to ensure the safety of our students and staff. During this time, we would like for students to continue to flourish! Each teacher has created a REMIND classroom.

Please ensure that you have received a message to begin communicating! If for any reason you have not received an invitation to join Remind, please email your child's teacher or call the number above. Teachers have developed google classrooms or are utilizing Class Dojo.

Student Expectations

1. Please sign in to your teacher's google classroom or Class Dojo every single day. Teachers will be tracking student's logins.
2. Complete all assignments assigned. If you find something difficult, please feel free to contact your teacher.
3. If you cannot access the internet, please have your parents call the front office so that we can assist you.

Parent Expectations

1. Find a nice quiet place for your child to call his school at home!
2. Make sure that you make your child follow a daily routine with regularly scheduled hours set aside for learning time.
3. If you have any difficulties accessing technology, simply email our librarian ana.flores@mcallenisd.net.
4. Call anytime you have any questions. You can also email your teacher. This will be the best way to communicate.
5. We frequently post things on Facebook. Please join us @houstonmisd.
6. Finally, know that all will be well! We will miss seeing you and your children every day but know that if we do this together our children will succeed. Please feel free to email me directly should you feel the need to do so at debra.thomas@mcallenisd.net.
