

***The Lions of Little
Rock, by
Kristin Levine***

This summer, we hope you will enjoy reading this award-winning book. We are eager to discuss it with you in the fall. While you're reading, we ask that you write post-it notes as you've done all year: questions, connections, inferences, predictions...any time you stop to think. You should also look up the events of 1957-1959 in Little Rock, Arkansas. Be ready to show us your notes when you come back to school in the fall. Finally, we ask that you develop five thick questions for discussion, as you have also done this year. Bring your questions with you, too.
