Reminders For 5th Graders: Elementary Graduates of 2020

- If you would like to be elected into Student Council, start to research ideas for your campaign board/poster and speech.
- If you would like to see your design on our class t-shirt OR on the cover of our published class book this year, sketch your ideas on a plain sheet of paper (no need to color). They should portray an image or message of: "always reaching higher", "shoot for the stars", dedicated, determination, goal setting, "dream big", etc.....
- I cannot wait to see your ideas – I'm sure they are FANTASTIC!

See You Soon 😊

On the first day of school, please bring a picture or two of your family, sport/hobby, vacation, pet, etc.... for our Family Board!
