

“The **LIBRARY** is the
 of creativity
in any school!”

- Michael Morpugo

We have been hard at work, transforming our library into the brand new Kipapa Ohana Learning Resource Center! Our new Resource Center will offer mobile furniture for flexible seating, maker spaces for Art & STEM, access to technology, a play area for younger siblings, and counter seating for studying.

Please join us in honoring & appreciating our community partners who helped to make our library redesign possible. Although we're not quite ready for a Grand Opening, we are excited to offer you a "sneak peek" of the amazing changes that are happening!
