

Joint Steering Committee Meeting  
December 4, 2018  
BH School Farm

Attending:

Rob Glass (Bloomfield Hills Superintendent)  
Ryan Parrott (Huron Valley remotely)  
Todd Bidlack (Bloomfield Hills)  
Carrie Lawler (Rochester)  
Sarah Fairman (Bloomfield Hills)  
Vernon Burden (Lake Orion)  
Lynne Gibson (Bloomfield Hills)  
Chris Smith (Bloomfield Hills)

Meeting called to order: 8:03am

Community members came to the JSC meeting. It is their goal to peacefully express their voice regarding opening the JSC meetings to the public. As an extra precaution in order to maintain security and avoid disruption to the IA learning environment, the meeting is being held at the BH School Farm.

Prior to the start of the JSC meeting business, Rob Glass welcomed the community members and then opened the floor to their comments. He mentioned that there would not be a back and forth with the community members as any rebuttals, but their issues will be addressed at a separate meeting together.

Ms. Gibson started the JSC meeting discussing the Shared Educational Entity. MDE has re-instituted student test scores going back to the home high school district. It was agreed Ms. Gibson will send an email to the Joint Steering Committee members asking them to indicate their superintendent's choice on a Google Doc. If districts agree to file as a SEE, Ms. Gibson will send the necessary paperwork to MDE by the deadline of January 7th.

Mr. Brinks provided an update on the IA's progress towards school goals.

The Bloomfield Hills Education Association Bloomfield Hills Human Resources has been working on a first-year probation mid-year evaluation document that aligns with State requirements. The IA will present this to its union representatives and staff members for feedback on whether this is a preferred document.

Dr. Chris Smith discussed the incoming 9th grade math placement exam.

Travel abroad trips were reviewed.

Last school year the decision was made to have the JSC meetings moved to the morning, but the afternoon seems to be better attended. Mr. Bidlack recommended the meetings be moved back to the afternoon. Our next JSC meeting will be March 5, 2019 @ 3:00pm

Ms. Gibson wanted the minutes to reflect opening the JSC meetings will be brought to the superintendents for further discussion.

Meeting adjourned 9:22am
