Oak Ridge Elementary School
November 2018 Edition

Principal's Corner

Fall is here! It has been an amazing first few months and it is hard to believe that November is already here! Don't forget to turn your clocks back one hour this Sunday at 2am! This month our students are fully immersed in their learning! As the weather gets cooler/wetter, we will start to see an increase in motor vehicle traffic at drop off and pick up. Just a reminder that the parking lot is **closed before and after school** except for school buses, vehicles with handicap permits and staff. We ask parents to please not to drive in through the "Exit" of the parking lot to access the parking lot. Our Home and School Club has committed to your student's safety by providing traffic/parking lot enforcement before and after school to support ALL students! We encourage parents to create a meeting place off campus for their children near the sidewalks, off campus (for older students) or around the building to avoid the parking lot traffic. From our family to yours, we wish you all a Happy Thanksgiving!

Sincerely,
Mrs. Singh, Principal
