## School Accountability Report Card

### Reported Using Data from the 2018-19 School Year

#### Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2019-20)

Alta Sierra Elementary is one of four schools in the Pleasant Ridge Union School District. It is located in Nevada County between the communities of Auburn and Grass Valley. Alta Sierra Elementary is a K-5 school serving 322 students. The Principal is Thomas Bivens and the Superintendent is Rusty S. Clark. There are 16 teachers, two Resource Specialists (Learning Center), Speech Therapist, Visiting Artists, a District Psychologist (2 days per week), District Nurse (.5 days per week), Health Aide (a.m.), Library Aide, Technology Aide, and 9 classroom paraprofessionals. Our Opportunity Center is focused on social instruction and school readiness staffed to provide support for students in need. We have a bus that takes band students and advanced students to enrichment opportunities four days a week.

Alta Sierra School has been named a California Distinguished School, an honor awarded annually to only four percent of California schools. It has also been recognized as a National Blue Ribbon School. This is the highest honor awarded to public or private schools in the United States.

Our mission focuses on providing all students with a strong academic foundation, which motivates them to reach their greatest potential. This safe, child-centered environment is best achieved with a positive working partnership among school, home, and community. We are dedicated to working together to ensure that our students are prepared for a changing future by equipping them with the skills and attitudes necessary to become productive, responsible, and creative members of society.

Our high level of student achievement directly reflects the quality of our school's instructional program. Instruction in our classrooms is guided by a highly trained leadership/instructional team. Staff continually reviews assessment data to ensure that all instruction is providing students with outstanding learning opportunities. This assessment data includes CAASPP reports (district, school, grade level, and individual) NWEA-Measure of Academic Progress (MAP) assessment 3rd-5th, as well as benchmark and end-of-unit content assessments. Each teacher provides accommodations and modifications for students with special needs as well as enrichment opportunities for advanced students.

We offer an after school cross country running program in the fall, a year-long band program, and an after-school recreation program (2:00-5:30.) These activities provide balance, motivation, and support for students. In addition, we provide leadership activities for our students with an active Student Council and our on-going cross-age Buddy Class program. We also provide an After School Enrichment Program, which offers classes such as art, science, dance, cooking, disc golf, lacrosse, "Lego Science," drama and physical fitness. We continually promote the use of our school facilities with local youth organizations to foster and encourage a broad range of experiences for our children.

Students receive personal recognition in each class, on the playground, in the cafeteria, as well as before and after school. We are a PBIS school. (Positive Behavior, Intervention and Supports) which explicitly teaches school-wide behavior expectations. We incorporate the Character Counts! program throughout the year. Monthly student recognition assemblies are tied to behavior and academic achievement. We have a multitude of classroom and grade level incentive programs to motivate students and reward hard work and responsible behavior.

We continually educate ourselves, teach with passion, and consistently include parents in the education of their children. We believe that a strong working relationship between home and school fosters a true sense of belonging and ownership that enhances the overall learning environment. Our students are known for their positive behavior and their outstanding academic achievement.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## Teacher Credentials

## School Facility Conditions and Planned Improvements (Most Recent Year)

Alta Sierra School was first opened in 1985. There are currently 21 classrooms, 2 special education classrooms, library, technology center, office and a kitchen equipped multipurpose room. Due to declining enrollment, some classrooms are being used for music, enrichment programs and small group instruction. School facilities also include a multipurpose grass athletic field, upper and lower playgrounds and playground equipment. All facilities are exceptionally maintained and the landscaping provides the school with a park like setting.

Alta Sierra School provides a safe, clean environment for all students, staff and public use. All facilities are in “good repair” as determined pursuant to a Facility Inspection Tool (FIT) developed and approved by the State of California Office of Public School Construction. The school is also maintained by the standards established by the District Board of Trustees.

The maintenance and custodial staff consists of a full time maintenance worker and a full time school custodian. The Assistant Director of Maintenance also provides services to the site. The school is cleaned and maintained on a regular basis. Kitchen facilities are subject to inspection by the county health department. No Williams Act complaints regarding the condition of the school facilities have been filed.

The District is committed to provide an attractive, safe, clean environment that enhances the instructional program and provides for a positive school experience for all students. For more information about the condition of the school facilities, please contact the school principal.

**School Facility Good Repair Status (Most Recent Year)**

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	61	60	52	48	50	50
Mathematics (grades 3-8 and 11)	48	51	42	39	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2018-19)**

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2019-20)

---

The entire staff focuses on consistent communication with parents, including them as partners in the education of their children. Holding students accountable for their learning and their behavior is a team effort. Parents play very important roles at Alta Sierra Elementary School through their active participation and involvement in School Site Council, Parents Club, and the Art Docent Program. We are proud of our volunteer program which actively recruits parents and community members, including senior citizens, to work in all of our classrooms. Alta Sierra Elementary school has become a community focal point and center for students and their families.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

### School Safety Plan (School Year 2019-20)

---

The Pleasant Ridge Union School District has developed a comprehensive districtwide safety plan that identifies major safety concerns as well as specific prevention and action strategies involving community and local law enforcement agencies. In conjunction with district goals and priorities, Alta Sierra's safety plan ensures a safe and secure campus by maintaining a positive learning environment that uses prevention strategies and emphasizes high expectations for student conduct. We have a Comprehensive School Safety Plan in place at our school which is regularly reviewed and updated as new information becomes available. The date of the last review/update was November 2019.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

The Pleasant Ridge Union School District offers four Professional Development days per year. Curriculum improvement goals and programs are directly correlated to identified needs and are based on student assessment data and input from staff, administration and the Peer Assistance and Review/Professional Development and Assistance Program Committee. Areas of professional development may include new curricular adoptions, technology updates, behavior management practices, student health needs, as well as strategies and techniques to effectively implement the curriculum. Specific focus will continue to be placed on student application of the California State Content Standards. Methods include districtwide and site level activities, as well as a "mini-conference" style format with outside consultants who provide professional development training. Throughout the year, staff attend on-site trainings, conferences, workshops, and school visitation. Support for staff is provided by curriculum specialists, Beginning Teacher Support Program (BTSA) coaches, mentor teachers, the district psychologist, district nurse, district counselor, and administration.
