The Friends of Westfield Memorial Library Essay Contest has been established to encourage young people to think creatively about the impact of our library on their lives. As part of our year-long celebration of Westfield 300, The Friends would like to highlight the vital influence our dynamic, thriving library has had on our youth. This contest is open to students in grade 8 at Edison Intermediate and Roosevelt Intermediate Schools.

Write about one or two experiences you have had at the Westfield Memorial Library that made the library special to you. What happened and why did you feel the way you did? Some possibilities to consider: a book that you loved (or hated), a library event that opened your eyes, a person at the library who helped you understand something new, or an embarrassing moment that helped you understand something new about yourself or the library. Other ideas may occur to you and we encourage you to write about them. You can write an essay or a story.

Requirements:
- Your submission should be from 350 to 500 words long and word-processed.
- Please submit your original work online to www.fwmlnj.org
- Include contact information plus the name of your school, Language Arts teacher, title and word count.

Essays/Stories will be judged on the following criteria:

All essays must be submitted by Friday, April 3, 2020. The author of the winning essay from each school will be awarded a $100 U.S. Bond and a book of their choice.
