## School Accountability Report Card

### Reported Using Data from the 2017-18 School Year

#### Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2018-19)

#### School Description

Raymond Temple Elementary School is located in Buena Park, California and is part of the Centralia School District. It serves approximately 530 students in preschool through grade six. The school boasts a World class SELPA program for Deaf/Hard of Hearing students in six neighboring districts from preschool through sixth grade. It also houses two and half Transitional Kindergarten classes in the district. All Raymond Temple students are provided a World Class 21st century comprehensive curriculum in language arts, mathematics, history/social science, science, visual and performing arts, physical education and health. All classrooms are equipped with Smart Board technology, a surface laptops including Document Cameras and Projectors. Students in grades 2-6 have access to one mobile Chromebook cart per grade level with 36 Chromebooks per cart. The Computer Lab and Media Center provide additional enrichment opportunities for our students with access to Ticket to Read, Spatial-Temporal Math, CODE, and Accelerated Reader. Raymond Temple School is committed to meeting the needs of all students through explicit direct instruction and differentiated instruction.

#### Mission Statement

Raymond Temple: Where all students grow Academically, Socially, and Emotionally in a safe encouraging environment.

#### Recent School Accomplishments

Raymond Temple sets high standards for students. The TK program curriculum was written by one of our teachers and has had success over the last 5 years and continues to be an exemplar for TK programs. Students coming from the TK program have been prepared and successful in Kindergarten. The past 5 years the school was selected by the California Business for Education Excellence as an Honor Roll School. The Orange County Register nominated Raymond Temple as a Bronze Medal School in 2011 and in 2017, Raymond Temple earned the Silver medal in Positive Behavior Interventions and Support practices.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

Teachers	School			District
	2016-17	2017-18	2018-19	2018-19
With Full Credential	23	23	26	189
Without Full Credential	0	1	0	2
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2016-17	2017-18	2018-19
Misassignments of Teachers of English Learners	1	0	0
Total Teacher Misassignments *	1	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)**

**Year and month in which data were collected:** December 2017

Sufficient state-adopted and standards-aligned textbooks and instructional materials are available for each pupil, including English learners. These are consistent with content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas.

Resolution Date: 08/11/15

In 2011, the Governor and State Legislature extended the suspension of State Board of Education (SBE) adoptions of instructional materials until the 2015–16 school year (Education Code Section 60200.7). At this time the State has adopted frameworks for English Language Arts/ English Language Development, and math which will assist in our implementation of California's Common Core State Standards. We are currently piloting State Board of Education adopted (January, 2014) instructional materials for math to reflect the rigor of the California's Common Core State Standards, teachers are developing curricula units, and various resources are provided as additional instructional materials. The State Board of Education adopted ELA/ELD instructional materials in November, 2015 and will direct our pilot.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
<b>Reading/Language Arts</b>	All students have access to current State Board of Education approved and CESD Board adopted textbooks for English Language Arts/ English Language Development. We use Benchmark Advance (2017) in grades K-6th. These textbooks are aligned to California state standards. Supplemental materials for intervention instruction are also available and include Leveled Literacy Intervention, Reading for Phonics, Read Naturally, Ticket to Read, Reading Mastery.	Yes	0%
<b>Mathematics</b>	All students have access to current State Board of Education approved and CESD Board adopted textbooks for math. Grade levels K-5 utilize McGraw Hill, My Math (2013/14) materials. Grade level 6 utilizes Glencoe, California Math, course 1 (2013/14) materials. These textbooks are aligned to California state standards. Supplemental materials for intervention instruction are also available and include St Math.	Yes	0%
<b>Science</b>	For all grades K-6th, Houghton Mifflin California Science, 2007 materials are used. These are supplemented with Foss, AIMS and STC science kits designed to each grade level, based on their alignment to State Science Standards.	Yes	0%
<b>History-Social Science</b>	All students have access to current State adopted and Board approved textbooks for History Social Studies. Harcourt Reflections for California (2007) materials are used in grades K-6th. In addition to textbooks, students use consumable homework and practice books.	Yes	0%
<b>Foreign Language</b>	Not applicable.		N/A
<b>Health</b>	Health instruction is incorporated into science and physical education programs. A separate text is not adopted in this curricular area.		N/A

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Visual and Performing Arts	There is no specific textbook adopted for VPA, however, materials used are aligned to the standards and incorporated into ELA instruction, as well as, into history social studies and science instruction. The LCAP funds Strings Music Instruction (viola, violin, and cello) and Centralia School District's Education Foundation donated instruments.		N/A

**School Facility Conditions and Planned Improvements (Most Recent Year)**

The District takes great efforts to ensure that all schools are clean, safe and functional. The Schools Facility Good Repair Checklist provides information about the condition of the school's grounds, buildings and restrooms. All inspected items were in good condition.

**Age of School Buildings**

Raymond Temple School was built in 1957 and is located on 10 acres. There are 26 classrooms, as well as a multipurpose room, a computer lab, a media center, 2 portable classrooms and an office complex.

**Maintenance and Repair**

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A total of 350 work orders were processed and completed during the duration of the school year. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

**Cleaning Process and Schedule**

In the evenings and during the day, a team of two custodians ensures that classrooms, restrooms and campus grounds are kept clean and safe. As responsible members of the community we take pride in our school environment by maintaining a clean, safe, and well-groomed campus.

**Deferred Maintenance Budget**

The district funds the School Deferred Maintenance Program, which funds expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, floor systems, and asphalt.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	53.0	57.0	60.0	64.0	48.0	50.0
<b>Mathematics (grades 3-8 and 11)</b>	45.0	51.0	54.0	59.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
<b>All Students</b>	266	265	99.62	56.60
<b>Male</b>	147	146	99.32	50.00

English Learners	89	89	100.00	56.18
Students with Disabilities	39	38	97.44	21.05

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

Students with Disabilities	39	38	97.44	23.68

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### CAASPP Test Results in Science for All Students Grades Five, Eight, and Ten

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

#### California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	25.6	17.9	17.9

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

#### Opportunities for Parental Involvement (School Year 2018-19)

The Centralia School District welcomes and values parental involvement in District and school programs. During the 2016-2017 school year, CESD continued its third year using the Local Control Accountability Plan (LCAP) process. This new funding process requires school districts to engage parents, teachers, employee groups, and the wider community to be a part of the development of the LCAP. Informational meetings were held with various stakeholders including Board members, parents, PTAs, and advisory groups (DELAC, GATE, PTA). An LCAP committee was formed that included representatives from each stakeholder group. The culmination of the LCAP committee was the adoption of the 2015-16 LCAP on June 24, 2014 by the Board of Trustees. The LCAP represents an opportunity to further strengthen the commitments between our District and our community on behalf all of students.

DHH Literacy Workshops, along with Sign Language classes for parents and community members, are offered throughout the year for parents of our deaf students so they can learn to help their students with literacy at home, as well as Deaf Students Speak Out Awards Program and DHH Family Movie Night. The Transitional Kindergarten program and Kindergarten programs hold a Kindergarten Welcome before school starts so they can meet their teachers and learn about the program, and also have Holiday and end of the year performances. The school's annual Holiday program was offered to parents in December, and the Annual Talent Show was once again a success! In addition, all students and parents are involved in Red Ribbon Week, Cyber Safety, and Teacher Appreciation Week. In the Fall of the 2017-2018 school year, Raymond Temple partnered with North Orange Continuing Education to offer a 10-week parenting course in Love and Logic.

This year, Raymond Temple has developed an innovation configuration matrix to help us develop and expand our "future focus pedagogy" this map known as the ICM matrix provides the vision and language to help teachers at Raymond Temple implement the many district initiatives including Project Based Learning, STEAM education, and technology just to name a few 21st century practices. This continuum is a road map that outlines all the ways you can see, hear, and experience Future Focus pedagogy at RT.

Raymond Temple's School Site Council is an advisory group of parents and staff that meets regularly to receive information, discuss school programs and provide input toward school-based decision making. Raymond Temple School parents and staff also participate on District planning committees. The ELAC committee is comprised of parents of English Learners. They discuss issues related to the English Learner program and opportunities for parents to learn English as well as how to help their children in school. Two parents attend the District DELAC meetings and report back to our ELAC.

The PTA at Raymond Temple is extremely active and benefits the school and students by encouraging and organizing parent involvement, promoting student achievement and self-esteem, and enriching the educational program by providing special programs, activities, services, materials and equipment. Parent involvement opportunities include:

- Back to School Night
- Open House
- Field Trip Chaperons
- Class Volunteers
- PTA-Sponsored Activities
- Fall & Spring Conferences
- Family Nights
- Talent Show
- Book Fairs
- Student Study Team Meetings
- IEP Meetings

For additional information about organized opportunities for parent involvement at Raymond Temple School, please contact Amanda Hughes, PTA President, or Dr. Estela Salas-Sarmiento, at (714) 228-3290.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

## School Safety Plan (School Year 2018-19)

---

Safety of students and staff is a primary concern of Raymond Temple Elementary. The School Site Action Plan was developed by the Site Safety Committee and the School Site Council with input from the School Safety team. The safety plan is reviewed and revised annually by all groups. New goals and tasks are added as necessary. The 2017-2018 goals of our Safe School Action Plan include the following:

### Component 1- People and Programs

Goal #1: Raymond Temple School's climate shall reflect respect, tolerance and pride for diversity of culture, ethnicity, and philosophy. It is a place where students demonstrate strong academic progress, follow school rules and develop responsibility for their learning and respect for themselves and their school through the PBIS framework.

Goal #2: Raymond Temple School's climate shall provide an emotionally secure learning environment for all students.

Goal #3: Raymond Temple staff will participate in on-going training to effectively address the needs of our site in case of emergency/crisis.

Goal #4: Schools provide an educational environment where students, parents, staff and community members show respect to people of all cultural, racial and religious backgrounds.

### Component 2 - Physical Environment

Goal #1: Raymond Temple School provides a secure campus with careful monitoring and supervision of all areas to ensure student safety and adherence to rules.

Goal #2: Raymond Temple School provides for the safety of students and staff through a well-planned and implemented crisis response plan.

Centralia School District has developed a Disaster Plan for emergencies. Staff members are in-serviced and assigned responsibilities for plan implementation. The school and District participate in the annual California Shake Out earthquake drill each October. The District also provided a district-wide Active Shooter training in collaboration with the Buena Park Police Department and provided follow up training in December. Fire evacuation drills are held monthly. The school maintains a Safety Committee and it meets minimally four times a year to review safety issues, plan staff development and makes recommendations for improvement.

The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. Annually, the school evaluates and updates the plan. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year.

Raymond Temple School believes that to ensure a positive learning experience requires a safe and orderly environment. Staff received training on a School wide Positive Behavior program that was first fully implemented during the 2013/14 school year and continues today. Teachers teach, monitor, enforce and exhibit these attributes throughout the year. The school follows all District Board Policies including those pertaining to Safety, Suspension, Expulsion, Mandatory Expulsion and Sexual Harassment.

Date of Last Review/Update: December 2017

Date Last Reviewed with Staff: December 2017

The Centralia School District Board of Trustees reviews the Safe School Plans annually by March 1.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Average Class Size and Class Size Distribution (Elementary)

Grade Level	2015-16				2016-17				2017-18			
	Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

## Types of Services Funded (Fiscal Year 2017-18)

The majority of the per pupil funding comes from the Local Control Funding Formula.

Programs and services available at Raymond Temple School to support and assist students include the following:

At Raymond Temple School, the principal works with the school's leadership team and the School Site Council to develop a comprehensive School Plan for Student Achievement. Through the Local Control and Accountability Plan, the school has an Intervention Specialist who provides small group support for students not meeting grade level proficiency; a Bilingual Instructional Assistant provides additional small group reinforcement of core skills, and works with parents for translations; computer based online instruction programs such as Study Island, Ticket to Read, More Star Fall, Discovery Learning, and Accelerated Reader; and the classrooms are equipped with smart board technology and upper grades have access to Chromebooks on carts to facilitate use of technology. The LCAP also provide GATE students with an enrichment after school program. The GATE program is site based with differentiated instruction during the school day. The school's English Learner program is focused on improving students' acquisition of English language skills through a strong ELD program.
