Dear KHS Parent/Guardian:

Krum High School will be offering the ASVAB (Armed Services Vocations Aptitude and Battery) on Tuesday, December 18, 2018 at Krum High School. According to SB 1843, the ASVAB is offered to any 10th - 12th grade student interested. The ASVAB is designed to help students **looking for career direction and/or are thinking of enrollment in the Armed Forces.**

The ASVAB is designed to be an indicator of how students have developed academic and occupational abilities at school, home, and in the community. ASVAB scores can qualify students for certain jobs and training in the Armed Forces. In addition to gauging academic achievement, the ASVAB provides extensive information for educational and career planning. It is a helpful experience for all students whether or not they have decided to go into the Armed Forces, since it measures career interests. The student information will NOT be passed on to the military, and no one from the military will contact your student unless the student specifically requests for their scores to go to a specific branch of the military. For more information on the ASVAB, visit <http://officialasvab.com/>.

The ASVAB test will be given on Tuesday, December 18<sup>th</sup> at 8:15 am at Krum High School. There is no cost for taking this examination. Please sign below if your student wishes to take the ASVAB.
