Scholarship Fund  
An Investment in the Future of Westfield Graduates***

Established in 1957, The PTC Scholarship Fund benefits graduating Westfield High School seniors who demonstrate financial need, academic perseverance and community involvement.

The 8 - 12 scholarships awarded annually—which last year totaled almost \$20,000—truly do make a difference in the lives of the graduating seniors. As one recipient from the Class of 2013 recently shared:

*“I want to thank you from the bottom of my heart for helping me in my college journey. Over the past four years at Rutgers, I have witnessed history in the making while interning at the world’s top news networks, from Fox News to CBS to NBC. I mentored young journalism students as the news director of Rutgers’ radio station. I was published twice in the New York Times. I made lifelong friends and even graduated magna cum laude. On my first day of freshman year, if you had told me that any of these things was going to happen, I would have been in complete disbelief. But with hard work, a little hope and the support of the PTC Scholarship Fund, I came to achieve more than I could have imagined. Now, I am working at ABC News in New York for the show Nightline, striving towards my dream of becoming a correspondent. Thank you for having faith in me and seeing something in me that I had not yet seen in myself.”*
