Inclement Weather

As we prepare for the upcoming winter season, I would like to inform you of inclement weather guidelines for parents and students. Should conditions necessitate a change in our previously set schedule, Summit Academy Schools officials are prepared to communicate through a variety of means including home and cellular phones, our website, Summit Academy Schools apps (with push notifications), official Summit Academy Schools social media accounts, and local news outlets. We invite you to make sure that your contact information is current with your local school front office and that you are taking advantage of these other communication platforms.

Dress for the Weather

The weather is changing. Please dress your child according to the weather. We go out to recess every day. Please label all outerwear with your child's name. Practice with your child taking on and off coats, gloves and hats at home.

Sickness

If your child is sick with a cold, fever, rash, throwing up, or diarrhea. Please keep them home for 24 hours after symptoms end.
