The Westmont High School Future Warrior Night is for incoming 8<sup>th</sup> grade students and their parents to get information about what they can expect when they enroll at Westmont High School in the fall of 2019. There will be presentations by our band, choir, drama, cheer, guidance advisors, and administrators. After the presentations, you and your student will have an opportunity to get more information about Westmont's curriculum, clubs, booster organizations, Parent Teacher Student Association (PTSA), and many others. No RSVP is necessary.

Guidance Advisors from Westmont will be visiting our feeder schools at the beginning of February to help your student select their classes for the fall and discuss their 4 year plan for high school. Your student should be bringing home a programming card around that time that you can review prior to your student's selection of classes.

There is a 2019-2020 course catalog on the district website ([www.cuhsd.org](http://www.cuhsd.org)) where you can get more information about courses available to your students at Westmont.
