**MISSION STATEMENT**

The mission of Hampton District One is to prepare students to be literate, informed, responsible, and productive members of a global society who believe that learning is a lifelong process. In a safe environment, we will provide learning activities for children that will promote their intellectual, social, and emotional growth, and permit them to become responsible and productive members of a global society.

**New Hampton District One Logo**

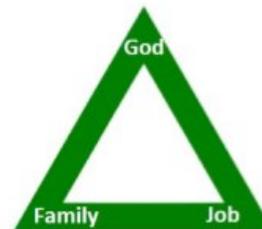

**Explanation of Logo**

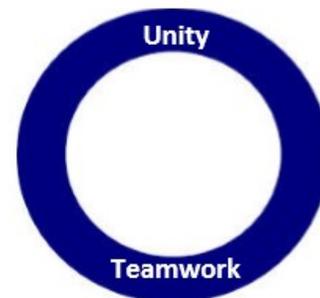

*The square represents our students. (They should have the opportunity to grow in four areas equally).*

*The "H" represents Hope for Hampton – The synergy of all working together to accomplish our vision.*

*The triangle represents our employees and the three things most important to them.*

*The circle represents how we accomplish things through unity and with teamwork.*

**NEW BrightArrow Messaging System**

- In order to improve home school communication, our new Hampton 1 BrightArrow alert messaging system uses voice, email, and SMS text messaging.
- The system will attempt to send the message to your student's home phone and the contact 1 phone numbers in PowerSchool.
- If you do not wish to receive text messages through the BrightArrow system, please reply to the text message with the word STOP.
- If you do not receive a text message and would like to receive text messages in the future, please update your student's contact information through your student's school office.
- It is important that we keep accurate contact information in case of emergencies such as school closings, severe weather, or other important announcements.
- Thank you for your help.
