Superintendent

Frank Camardo
Principal

September 4, 2019

Dear Parents and Guardians,

I would like to officially welcome you back to the 2019-2020 school year. As safety and security is paramount for our students, this letter is to review our drop off and pick up procedures in reference to the new road construction and turn around in the rear of the building.

Please note that students will be dropped off on Meadow Avenue at the entrance to the gymnasium. Parents will then use the turn around to exit the school grounds. It is imperative that the flow of traffic keeps moving, and parents should not get out of their vehicles while dropping off students, as this is a safety violation and will hold up traffic.

- If you wish to walk your child to the gymnasium, please park on Lake Avenue and follow the sidewalk to the drop off point.
- Parking in the library spots is not permitted as this impedes the flow of traffic exiting the school.

When picking up students after school, we will utilize the same plan as drop off, and it will work very similar to our normal pick up procedure. Please note that parking is limited, and if you wish to utilize the playground after school or get out of your vehicle to meet your child, you are asked to park in the front of the school on Grove Street and walk to the back of the building or park on Lake Avenue.

As always, I thank you for your continued support and dedication to the Bay Head School. If you have any questions or concerns, please feel free to contact me directly.

Educationally Yours,

Mr. Frank J. Camardo

Cc: Dr. Peter Morris, Superintendent
