GUSD OPEN ENROLLMENT POLICY

Greenfield Union School District has an Open Enrollment Policy which provides the opportunity for parents who reside in the district to enroll their child in any school within the district on a space available basis. Each school is required to serve the students who live within its attendance area prior to accepting any students from outside its attendance boundary. Greenfield Union School District supports parental choice and is committed to Open Enrollment, however, once enrollment reaches school capacity, that school or grade level will be closed to Open Enrollment.

The following conditions also restrict the opportunities for Open Enrollment:

- Approvals are for one year and are reviewed each year.
- Parents must provide transportation.
- Space must be available at the requested school.
- Transition to middle school is based not on previous school of enrollment, but on the school attendance area assigned to the neighborhood of residence.
- Students who were previously placed in the "school of choice" will be permitted to continue at that school without applying again.

Existing students who would like to transfer from a school they are currently attending will follow the same School Choice Open Enrollment process as new students. Parents interested in utilizing the Open Enrollment Process shall complete a School Choice Open Enrollment Form—Available at the GUSD District Office located at **1624 Fairview Rd.**—during the Open Enrollment window. The 2019-20 Open Enrollment window is Monday, March 4th thru Friday, March 8th 2019 and only occurs once per year. **The deadline to submit Open Enrollment Forms is Friday, March 8th, 2019 @ 4:30 PM.**

To assure that the approval process for those interested in School Choice Open Enrollment is random and unbiased, students are selected via a lottery. Following the selection process a waiting list is established and maintained for each elementary/middle school site. **The lottery will be held Friday, March 29th at 9:00 a.m. at the District Office.**

Parents will be notified by mail regarding the status of their application in one of the following classifications:

1. Approved
2. Denied
3. Placed on a waiting list.

Applicants who receive approval shall confirm their enrollment at the approved school prior to the opening of the 2019-20 school year. If the application is denied, the reasons for denial will be stated. If the parent/guardian finds the denial reason unjustified, the parent/guardian may appeal to the District Assistant Superintendent of Personnel. Please direct any questions to the District Office at 837-6000.

Applications for students requesting to leave Greenfield Union School District will be available beginning May 1st.
