

Galt Joint Union High School District Citizens' Bond Oversight Committee

Measure E \$36 Million General Obligation Bonds

Applicant Packet

The Galt Joint Union High School District Board of Trustees established a Citizens' Bond Oversight Committee to review expenditures from construction activity associated with Measure E, which was considered by District voters on November 8, 2016. The Committee is responsible for ensuring that bond revenues are used only as voters intended and for informing the public of bond expenditures. The Board invites all interested community members to apply for service on the Bond Oversight Committee.

Who is on the Committee?

The Bond Oversight Committee must have at least seven members. In addition to two members of the community at large, there must be at least one member from each of the following groups:

- One member who is active in a business organization representing the business community located within the school district.
- One member who is active in a senior citizen's organization.
- One member who is the parent or guardian of a child enrolled in the school district.
- One member who is the parent or guardian of a child enrolled in the school district and is active in a parent-teacher organization.
- One member who is active in a bona-fide taxpayer's organization.

The Bond Oversight Committee may not include any employee or official of the school district or any vendor, contractor, or consultant of the school district. Members must be at least 18 years old, and preference will be given to members who live within the geographic boundary of the District.

What does the Committee do?

The committee is responsible for making reports to the Board of Trustees and the community about bond expenditures.

How often does the Committee meet?

The Committee is required to meet at least one time per year, or more frequently as it deems necessary to fulfill its duty. It is estimated that the Committee will meet approximately 3 times per year. Specific meeting dates will be determined by the Committee. Committee members will be appointed by the Board of Trustees to serve a two-year term. A maximum of three consecutive, two-year terms is allowed under the law.

How will the Committee be selected?

The Board of Trustees will select the Committee taking into account the applicant's professional and/or practical experience, the applicant's recognition in or contribution to his/her community, the diversity of experience on the Committee as a whole, and representation on the Committee from various communities within the district. The Board is expected to appoint the new members of the Committee by October 3rd.

What else should the applicant know?

Under the provisions of Education Code Section 35233, a member of the Committee may not have any financial interests in any contracts made with the District during the member's term. Committee members may also be subject to the Political Reform Act of 1974 and its Conflict of Interest Provision. In order to ensure no conflicts of interests exist and ensure transparency of the Committee, members will be required to acknowledge an Ethics Policy and have on file with the District Form 700 (Statement of Economic Interests of the Fair Political Practices Commission).

All committee proceedings will be open to the public and will be subject to the Brown Act. All documents and reports received or published by the Committee will be a matter of public record, and will be made available on the District's web site.

The Board of Trustees will provide the Committee with administrative support and sufficient resources to publicize the committee reports.
