Secure your child's space for the 2017-2018 School Year!

Dear Parents/Guardians:

Thank you for your support during this exciting 2016-2017 school year. We are grateful to you for allowing Healthy Start Academy to facilitate the education of your child. The vision for the Academy remains one of commitment to student achievement, professional development for faculty/staff, creative means of increasing parental involvement, and building a school climate of safety and structure.

Next year, we will continue to bring exciting educational opportunities and enhanced instructional methods to the classroom, using even more technology. We will continue to add strong leadership and sports programs as well. I'm grateful that our dedicated faculty and staff are committed to providing students with opportunities that will develop and maximize their full potential.

Healthy Start Academy is chartered on a path to success! We invite you to remain with us on this journey to excellence. Please complete the information below and return it to your child's teacher on or before *Friday, January 20*. If you have any questions, feel free to contact me at (919) 956-5599.

Sincerely,

Marc Willis
Interim Principal/Superintendent
