Dear Parents, School Staff and Community Members:

We are holding elections for committee members of the **School Site Council (SSC)** and **English Learners Advisory Committee (ELAC)**.

The **School Site Council (SSC)** represents parents, students, community members, and school staff in the school governance process. The SSC has a number of important responsibilities, including:

- Reviewing and analyzing student achievement data,
- Gathering community input,
- Helping develop the Local Control and Accountability Plan (LCAP)/Single Plan for Student Achievement (SPSA) and the school site budget, and
- Monitoring the implementation of the plan and budget.

The purpose of the **English Learners Advisory Committee (ELAC)** is to advise the principal, School Site Council and school staff on programs and services for English learners. Parents of English learners (ELs) together with other parents, staff and community members meet to learn about services and programs for English learners and offer advice to improve the education of ELs at our school.

The SSC and ELAC will meet on Mondays at least four times a year and are planned to meet on the following days for the remainder of this school year (ELAC meets at 3:30 pm and SSC meets at 4:00 pm):

- October 22, 2018
- November 26, 2018
- January 28, 2019
- February 25, 2019
- April 29, 2019
- May 20, 2019
