

Lunch Schedule 2018 - 2019

Grades	Time
2 & 5	11:20
1 & 4	11:40
K & 3	12:00

All students have the option to choose one of three lunch options each day at no cost to you. By providing healthy lunches, schools can help their students perform better in the classroom and improve their overall health. We encourage you to have your child order lunch at school.

If you choose to send a lunch from home, your child should bring it with him/her when they arrive at school on time by 8:25. Please be sure to put your child's name on their lunch bag.
