- **June 24, 2017 - Official School Board Meeting**

Smiles for a Lifetime Clinic will open in Hampton School District One

Hampton One students without a dental home will be able to receive services within the school district next school year. With a generous grant from the Charlotte, N.C.-based **Duke Endowment**, the nonprofit health care network, **Welvista**, will establish a **Smiles for a Lifetime Dental Clinic**. The clinic will be housed on the campus of **Varnville Elementary School**. Students from all Hampton One schools will have the opportunity to receive cleaning, sealants, and / or restorative treatments. In addition to services provided by the new Smiles for a Lifetime Clinic, Hampton One will continue to work with and coordinate dental and health services with the **Beaufort Jasper Hampton Comprehensive Health Services** van for a number of Hampton One schools. Critical dental care needed beyond cleaning and restorative procedures will be referred to a local dental provider.

The primary purpose of this service is to provide support to Hampton One children who do not have a dental home or can not afford dental care. A parent or guardian must sign a consent form before a student will be able to receive services.

The district is seeking a used car or van so that transportation can be provided from the schools to the dental clinic. If anyone is interested in making a donation of a reliable vehicle for this purpose, an appropriate tax deductible letter can be provided to the donor.

For more information, contact Jack Hutto at 803-943-3400 or jhutto@hampton1.k12.sc.us.

A **Big Thank You** to our **Partners in Education** this week for investing in the health care of Hampton One students; **Beaufort Jasper Hampton Comprehensive Health Services**, **The Duke Endowment**, **Smiles for a Lifetime**, and **Welvista**.

PUBLIC NOTICE

Hampton School District One proposes to file an application for a grant with Rural Development Community Facilities, and will hold a public meeting on May 30, 2017, at Hampton Elementary School, located at 505 Hoover Street, South, in Hampton, SC, at 5:00 pm in the library/media center. The purpose of the meeting is to give an opportunity to become acquainted with a proposed Community Facilities projects, consisting generally of safety improvements including walkway canopies, up-to-date bleachers in the Wade Hampton High School gymnasium, and updated restrooms throughout each school.

Citizens will have the opportunity to comment on such items as economic and environmental impacts service and alternatives to the project.

Projects funded by Rural Development are equal opportunity programs and discrimination in the program is prohibited by federal law.
