Wednesday, May 8, 2019

*Note: The District has received a request to clarify answers from Addendum #3. See Bidder questions below with answers from the District in blue.*

**Question 1:** I have a couple questions. Regarding question #13 below. What is meant by PRI:80- PRI: 116-PRI: 20- PRI: 25 etc. Is there a PRI at each location? Does the PRI: 80 etc. mean the number of Direct Inward Dial Numbers (DID's), One PRI includes 23 talk Path to the outside world so the number 80 etc.-does not equate.
