## UNIVERSITY HIGH SCHOOL

September 2018  
Published Monthly

*Preparing today's students for tomorrow's opportunities by providing an environment that fosters academic, social, and personal growth*

### WELCOME TITANS

Welcome to University High School, home of the "Titans." I hope you had a summer of fun and regeneration. Please look forward to having a great 2018-19 school year.

Some of our goals this year will be to become a "Pace Character Trait" school of distinction and incorporate an Army Junior ROTC program here. We will focus on the needs of all students and provide each student with a relevant and rigorous education.

At University High School, we will help prepare students for career and college opportunities through our vast selection of courses, activities, groups and clubs.

Our Crimson Crew Students spend time working with our incoming 9<sup>th</sup> graders and provide support and peer mentorship throughout the year.

Our custodians and secretaries have worked extremely hard behind the scenes to get the building and the processes ready for an atmosphere that is conducive to learning.

I look forward to this year as a positive, productive time where our efforts to build a Purposeful Community will benefit our students and empower them to be contributing citizens in our society.

### *Keven Frandsen, Principal*
