

## 1st Grade School Supply List

- 1 two-pocket homework folder (strong, thick one)
  - 3 large glue sticks
  - 1 box of crayons (24 count)
  - 2 standard-size plastic pencil boxes (one to hold crayons, eraser, pencil, and glue stick and one for math tools)
  - Math Tools: 1 dice, 1 package of BLACK whiteboard markers, 1 sock or whiteboard eraser, and coins (see below)
  - 3 big white erasers
  - 2 boxes of No. 2 pencils (Tichonderoga sharpen easiest)
  - Plastic baggie with the following coins inside: 4 quarters, 10 dimes, 30 nickels, 30 pennies (will be returned at the end of the year)
  - 1 box of Kleenex
  - 1 container of antibacterial wipes
  - 1 container of hand sanitizer
  - 1 primary journal composition books for STEM journal
  - 1 LARGE white t-shirt for science lab coat (These t-shirts need to be big because they will be worn over clothes when we do science. Please send on the FIRST day of school! We will be tie-dyeing these on Friday.)
- Please keep at home but save any and all recycleable materials (ex. shoe boxes, boxes, plastic lids, etc.) We will use a lot this year! I will email what and when we need something, but do not have room at school to store recyclables.

Some items will be kept as a 'class' supply and will not be in their desks. Therefore, please do not put names on the supplies, with the exception of the container of coins, homework folder, crayons, and pencil boxes. The items on this list are recommended/optional supplies. We are asking for voluntary contributions of these items. Providing these items is voluntary and if not provided by the parent, the school/teacher will provide.

Thank you for your support!

Mrs. Curry
