

**Central Valley School District
Job Description**

TITLE **Specialist – Health Aide**

GENERAL SUMMARY

The health aid operates a school health room, providing a variety of services in support of students' healthcare needs. Health aids implement health plans, enter and maintain health related data in the student information system, administer medications, attend to students' health concerns, administer first aid, and communicate with staff and parents about students' health needs.

ESSENTIAL JOB FUNCTIONS

Depending upon the individual assignment, the Specialist – Health Aide may perform all or a combination of the following:

1. Monitor students with special healthcare needs (i.e. diabetes, asthma, and allergy) per individual health care plan.
 2. Monitor students on field trips, providing for healthcare needs.
 3. Perform first aid triage including documentation of health information.
 4. Communicate professionally with parents, school staff, and appropriate district staff regarding student healthcare needs, observing confidentiality and sensitivity.
 5. Administer medication per district policy.
 6. Conduct and assist with health screenings.
 7. Maintain and update health records including immunization cards, health room logs, vision/hearing screening, school-wide health list and other assigned tasks in the student information system as well as in student health files.
 8. Prepare and file reports as required and requested (for example, immunization compliance reporting).
 9. May act as a Parent Designated Adult (PDA) for designated students.
 10. Assist with health record requests, exchange of information requests, and communicating to others when records are received.
 11. Responsible for maintaining and ordering supplies.
 12. Maintain general sanitary conditions in health room.
 13. May assist with student healthcare needs in special education self-contained classroom.
 14. Assist with students' personal hygiene.
 15. May perform tasks as delegated and trained by registered nurse (for example, catheterization).
 16. Each of the positions at the specific school serves as one unit of the whole team, and as such, is subject to assignment to tasks in other areas within the classification.
-

OTHER FUNCTIONS

REPORTING RELATIONSHIPS

This position reports to the building principal/designee.

MENTAL DEMANDS
