

# CAL HIGH SCHOLARS PROGRAM

The California High School Scholars Program is a challenging academic program that provides a rigorous course load, academic support, college visits, guest speakers, and college application/financial aid workshops. Students will graduate having taken a minimum of 16 Honors and/or AP classes, have done a minimum of 200 hours of community service, and be prepared to succeed at a 4-year College or University.

## Colleges that Scholars students are attending or will attend in fall:

### University of California:

Berkeley, Riverside, Davis, Irvine, Los Angeles, Santa Barbara, Santa Cruz & San Diego

### California State Universities:

San Diego, Los Angeles, Fullerton, Long Beach San Luis Obispo. Cal Poly Pomona

### Out of State Universities:

Belmont University, Creighton University

M.I.T. University, Stanford, Whittier College, Harvard

\*\*These students were also awarded thousands of dollars in Scholarships, including The Gates Millennium Scholarship
