

Madisonville High School
P.O. Box 879
Madisonville, Texas 77864
(936) 348-2721

Madisonville High School requires students driving and parking on campus to follow all rules/procedures and live up to the responsibilities of driving a vehicle during the 2018-2019 school year. Violations of the procedures for student parking at Madisonville High School will result in the issuing of a school-based parking citation. Much like the penalty for possession of an electronic device or cell phone, a citation will result in a \$20 charge issued to the student. The student will not be allowed to drive and park in the school parking lot until the charge is paid in full. Any student that is found driving on school property while owing the charge will be disciplined for failure to follow instructions in a manner consistent with the MCISD Student Code of Conduct.

Parking violations that would cause the student to be cited include, but are not limited to, some of the following examples:

1. Parking on campus without a valid, school-issued permit for the 2018-2019 year.
2. Parking in a space other than the space issued to the student.
3. Parking anywhere on the lot, including their space, without a valid tag being visible to school administration and/or law enforcement. If a student drives a different vehicle than they normally do, it is his or her responsibility to obtain a temporary permit or simply transfer the issued tag from one vehicle to another **before** being cited for failure to display.
4. Driving in a manner that exhibits excessive speed or in any context that could be described as reckless or unsafe for a school setting. School staff and/or law enforcement will determine this.
5. Leaving school property or loitering in a vehicle at any time during school hours without permission from appropriate school staff.

MHS parking permits are **\$20** and are good for the current school year. In order to be issued a student parking permit, the student and parent must sign this form and return to Dr. Golden. The student must present a copy of his/her driver's license and proof of insurance before a parking tag will be issued. Please contact Madisonville High School if there are any further questions.
