4.0 Public Participation (15 minutes)

This portion of the agenda encourages participation by citizens in our community. Participants may speak for five minutes or less on school/district operations, school/district programs, or school/district matters of concern. Participants may ONLY address those matters that are directly school/district related. In this public forum, the board will not hear comments on specific personnel, nor will the board take any action on topics discussed. Open discussion with the Board is not permitted in the Public Participation portion of the agenda. To be recognized for public participation, interested persons should complete a request card prior to the start of the meeting. Cards are available at the meeting site.
