

Parents,

Attached is the 2018-2019 Free/Reduced lunch application. This year it is mandatory that you complete the application even if you don't think you will qualify. I assure you that ALL information is confidential and no one but myself and the school counselor knows who is on free or reduced. (She only knows names...not financial info., only because she knows of programs that could be beneficial to students that i do not such as financial aid, scholarships, etc.). A few things have changed so please read all of the information carefully. 1) If a student received free or reduced last year you MUST complete a new application every year. 2) If you receive SNAP benefits you still have to complete the application AND provide the EDG number (different than case number). I get a list from the state of who receives SNAP but for some reason not all of the siblings show up on the list and there is no way for me to know who lives in what household. This is why i need a paper application as well to ensure that every student in the family is covered. I don't want one kid to acquire a balance while the rest is getting free. (was a big problem last year). 3) If you have a child on the waiting list and they end up getting in and your other children are on free/reduced it is YOUR responsibility to let me know so that i can add them quickly to avoid being charged full price. The front office has too many things going on to remember to inform me . 4) Students will only be allowed to charge 7 meals total before receiving an alternate meal. If they still owe from last year this could affect them the first day of school so please make sure any unpaid balances are taken care of before school starts. The front office of each campus will have an updated list of who owes. 5) Circumstances change constantly so you can fill out an application at any time during the year...however any balance this is acquired BEFORE approval MUST BE PAID. (also a major problem last year). 6) Please set up an account at Myschoolaccount.com to monitor your child's lunch account...you can get low balance notifications, set up automatic payments, and view all transactions. You will need the student id number which myself or the front office can give you. 7) PLEASE make sure the application is complete before turning it in...any missing information will cause the application to be sent back which will delay the approval process. This could result in being charged full price. I realize this is a lot of information but it is very important . I

will be processing applications daily and will be more than happy to help with filling it out if you need me to. BREAKFAST price is 2.00 and LUNCH is 2.85 (full price). Reduced price is .30 for breakfast and .40 for lunch. I would recommend putting some money on their account for the first few days while awaiting approval just to make sure. Feel free to contact me with any questions or concerns at kalsheikh@cumberlandacademy.com or 903-539-0082. Thank you!!

Directions for Applying For Free and Reduced-Price School Meals

Please use these instructions to complete the free or reduced-price school meals application. Submit one application per household, even if the children in the household attend more than one school in *Cumberland Academy*. Please use a **pen** (not a pencil) when completing the application. The application must be filled out completely in order for the school to make a determination if the children in your household qualify for free or reduced-price school meals. An **incomplete application cannot be approved**. Please contact *Kelly Alsheikh..903-504-5393...kalsheikh@cumberlandacademy.com* with your questions.

Step 1: List All Household Members Who Are Infants, Children, And Students Up to and Including Grade 12.

- **List** each child's name.

Print first name, middle initial, and last name for each child in the household in the spaces. If there are more children than lines, use the back of the application to record additional names.

Include all household members who are age 18 or under and are supported with the household's income including children who are not enrolled in the district. Children do **NOT** have to be related to anyone in the household to be a part of the household.

- **Mark** the box following the child's name to show if the child is a student in the *Cumberland Academy*..
- **Record** the child's grade if the child is in school.
- **Check** the appropriate box if a child qualifies for free meals as participant in the foster care system, Head Start (including Early Head Start or Even Start) program or if a child meets the criteria for homeless, migrant, or runaway.

Checking Foster indicates that a foster care agency or court has placed the child in your home. If the application is being submitted for foster children only, complete Step 1, skip Step 2, and complete Step 3.

Participation in a Categorical Program

If all children in the household are participants in one of the following programs—*Foster, Head Start, Homeless, Migrant, or Runaway*, skip Step 2 and complete Step 3.

SNAP, TANF, and FDPIR: Do any household members (including you) currently participate in one or more of the following assistance programs: SNAP, TANF, or FDPIR?

If a child or adult in the household participates in Supplemental Nutrition Assistance Program (SNAP) or Temporary Assistance to Needed Families (TANF), record the Eligibility Determination Group (EDG) number in the space.

If a child or adult in the household is a participant in Food Distribution Program for Households on Indian Reservations (FDPIR), check the box to indicate participation. The Kelly Alsheikh will contact you to obtain documentation of FDPIR participation.

If the students in the household are eligible based on SNAP, TANF, or FDPIR, skip Step 2 and complete Step 3.

Step 2: Report Income for All Household Members.

Part A. Total Household Members

- **Record** the total number of children and adults in the household in the appropriate box.

*This number **MUST** be equal to the number of household members listed in Step 1 and Step 2. It is very important to list all household members as the size of the household determines the household eligibility.*

Part B. Last Four Digits of Social Security Number (SSN) of an Adult Household Member

- **Provide** the last four digits of the Social Security number (SSN) of an adult in the household or check the box for no SSN.

A social security number is not required to apply for these programs.

Part C. Income for All Adult Household Members (Including Yourself, But Not Children)

- **Record** the first and last name of each adult in the household in the space provided.

If there are more adults in the household than available spaces, use the back of the application. Children's income is reported in Part D.

Step 3: Provide Contact Information and Adult Signature.

- **Read** the certification statement.
- **Write** your current address and contact information in the space provided. Sharing a phone number, email address, or both is optional, but helps us reach you quickly if we need to contact you.

If you have no permanent address, this does not make your children ineligible for free or reduced-price school meals.
- **Print** the name of the adult signing the form, **sign** the form, and **record** today's date in the appropriate spaces.

All applications must be signed by an adult household member. By signing the application, the household member is promising that all information has been truthfully and completely reported. Step 4: Return the Application.

- **Return** the application to Kelly Alsheikh..1040 Shiloh Rd. Tyler, tx 75703 (CAMS)l.

We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, audits for program reviews, and law enforcement officials to help them look into violations of program rules.
