This two week experience is designed
and supervised by Ms. Judy Pesce

(Retired BRSD Kindergarten Teacher)

Children must be entering Kindergarten in September 2019.

This camp raises the bar for instruction of our “soon to be” full day kindergartners. Children will participate in classroom activities that include cooperative play, educational lessons & school readiness topics. Students will be introduced to safety protocols such as bus safety and fire drills. Hallway, restroom, playground and lunchtime behavior expectations will also be addressed to best prepare them for the first day of school.

Information will be sent home prior to the start of the program which will include a name tag, drop off / pick up information and a “what to bring” list.
